1Q24: Sharp rise QoQ as expected

1Q24 net profit was Bt3.7bn (Bt0.31/share), surging QoQ from Bt193mn in 4Q23 and up 25% YoY as expected, driven by higher gross profit/liter for the mobility segment and strong EBITDA margin and sales volume for the lifestyle segment (F&B). It also booked an FX gain of Bt864mn vs. FX loss of Bt450mn in 4Q23. We expect further earnings growth in 2Q24 on more holidays in Thailand, despite pressure on marketing margin from high oil price. We maintain our forecast 16% growth in net profit to Bt13.3bn in 2024F based on a conservative gross profit of Bt1/liter, up slightly from Bt0.99 in 2023. OR share price (-3M) has risen 2%, slightly outperforming the SET (-2%), to trade at 16.7x P/E (2024F), much below 3-year average of 27x. Rated Outperform with TP of Bt27, based on 14x EV/EBITDA.

Mobility segment: seasonally lower sales volume. Mobility segment sales volume fell 7.5% YoY and 7.2% QoQ in 1Q24 to 6.5bn liters on lower diesel and gasoline sales volume (high season is 4Q) and the hit from an accusation in social media that some PTT service stations in the provinces were cheating on the quantity of fuel. This dragged its market share down to 39.9% in 1Q24 from 42% (end-2023). The issue has been resolved, and management expects sales volume to recover gradually over the rest of the year. An offset was provided by a higher gross profit of Bt1.12/liter (+11% YoY and +49% QoQ), including ~Bt330mn stock gain. Retail marketing margin remained healthy, especially for gasoline, while diesel margin continued to be pressured by the government's regulated price.

Lifestyle segment: EBITDA margin wider QoQ. EBITDA contribution from the lifestyle segment widened 24% YoY and 6% QoQ in 1Q24 on a better EBITDA margin of 26.9% vs. 25.6% in 4Q23 and higher sales at Café Amazon (+9% QoQ) to a record 99mn cups, partly from a promotional campaign in Feb; it continues to control expenses. Café Amazon's cup sold per outlet grew 7.6% QoQ as outlet numbers grew 1% QoQ.

Global segment: more sales volume in the Philippines. The Philippines was important for the segment's profit in 1Q24, with EBITDA rising to Bt325mn from only Bt3mn in 4Q23. This also turned operating profit around from a loss in 4Q23 to profit of Bt161mn in 1Q24, though this was only 4% of total operating profit for the quarter. An associate in the global segment turned from contribution of profit from investment in joint ventures to a loss of Bt86mn in 1Q24 due to the impact of FX adjustment for the business in Myanmar of Bt255mn.

Profit growth to continue up. We expect profit to maintain its upward momentum in 2024F with growth of 16% vs. +7% in 2023, fueled by higher sales volume for all three segments, mobility, lifestyle and global, in turned backed by expansion of service stations and non-oil outlets. This assumes gross profit for the mobility segment at Bt1/liter and EBITDA margin for the lifestyle segment at 25%, slightly below 25.4% in 2023. We maintain our TP of Bt27, based on EV/EBITDA (2024F) of 14x, the average retail business multiple in the Thai market. This implies P/E (2024F) of 24x, slightly lower than 3-year average of 27x for 2021-23 and PBV of 2.8x vs. 2021-23 average of 2.9x.

Risk factors: An economic slowdown would erode demand for OR's oil and non-oil products while oil price volatility may cause more stock losses. Other risks are government intervention in capping retail oil price, particularly diesel, and higher competition and production cost that cannot be passed on.

Environmental Issue (E)

- OR is committed to the prevention and minimization of environmental impacts across the value chain. It has adopted ISO14001 environmental management system as guidance for LPG, oil, and petroleum terminals, Café Amazon Roasting Plant and Phra Khanong headquarters. There was no violation of environmental regulations and laws reported in 2022.
- The company has achieved zero wastewater discharge in 2022 as all wastewater undergoes treatment before being reused in operating processes, in bathrooms, or to water plants.
- OR is also committed to reducing the amount of waste produced from its operations to align with the eco-efficiency principle by extending product lifespans and promoting resource efficiency by utilizing waste from one process for other purposes.
- OR is working to expand its EV Station PluZ network across PTT stations and other high potential areas to promote the transition toward electricity vehicles. As of Jun 2023, 197 EV Stations PluZ were installed.

Social Issue (S)

- OR strives to foster a positive work environment in all aspects and conducts annual employee engagement survey. 91% of OR's employees took part in the annual survey in 2022, and the employee engagement rate was at 71%, which met the short-term goal for the year.
- OR consistently develops products and services to build customer satisfaction with responsibility, integrity, and ethics. It conducts customer and consumer satisfaction surveys on a yearly basis to develop plans and key performance indicators for each business unit for improvement. The customer satisfaction rate was 92% in 2022, in line with the target of above 91%.
- OR's CSR process is undertaken within the framework of a sustainability management policy and focuses on eco-friendly operations and responsibility towards all groups of stakeholders. The company seeks to foster collaboration with local communities in order solve problems and develop CSR projects and activities.

Governance Issue (G)

- OR's board of directors consists of 15 directors, 14 non-executive directors (93.33% of the entire board), 9 independent directors, which exceeds half of the board (60% of the entire board), and an executive director.
- OR has applied regulations and requirements regarding investment criteria and investment management, along with the investment supervision guidelines for shareholding companies to govern the investments of subsidiaries and associated companies.
- We view OR's management and governance as satisfactory, reflecting management's expertise and experience in the oil retail business, its transparency with stakeholders, and its independent board of directors.
